Spring into spring...

...and join us on a Bike Ride through stunning Hampshire countryside to East Meon.

Saturday 21 April at 10.30 am

Do you like cycling? Do you have friends who do too, who wouldn't come to church on a Sunday, who you could persuade to join you? If so, then read on...

As part of The Hub, we are exploring new ways of doing church together, so why not join us on a 30 mile circular bike ride from the church layby to the Sustainability Centre Cafe at East Meon.

We will set off at 10.30am and aim to be back by 4pm.

More details from Geoff Hobbs in person or via church office. If you plan to come, please put it in your diary and speak to Geoff.

Between the 18th-23rd August we are taking a group of young people to Soul Survivor at the East of England Showground in Peterborough.

If you can help with any of the following things, please get in touch with Sean (sean@sttoms.co.uk).

Thanks so much!

- You would like to come with us and be our chef/s?
- You have any camping equipment you could lend us for the week? (cooker, tents, etc).
- You have a van and would be happy to help us transport the larger parts of our camping equipment.

Children's & Youth Network Volunteers

Both the Children's and Youth Network need you!

We are looking for some new awesome volunteers to join our teams. There is no person specification, there is no set age, you don't have to be trendy or hip...

you just need to be committed and have a desire to love and journey with our children and young people.

Could that be you??? Get in touch!!!
